Student's Local Telephone Number _____

Program of Study which you will be attending: _____

Enrollment Dates of your Study Abroad Program **From:** _____ **To:** _____

Federal regulations allow the Office of Student Financial Aid to take into consideration Study Abroad costs for approved courses of study. These costs will be added into the Cost of Attendance (COA) for students who have completed AND had approved the University of Georgia Study Abroad Credit Approval Form OR, if going on a University Study Abroad Program, submit a copy of their letter of acceptance into the program.

Due to federal student aid program limits, the inclusion of Study Abroad expenses in the COA may not result in additional funds for the student.

This form is used to document expenses related to Study Abroad for students attending the University of Georgia. The FAFSA uses the previous calendar year income, earnings and benefits to determine financial aid eligibility.

This request will not be considered until OSFA receives all required information.

_____ Documentation from your Study Abroad program which lists the cost of the program on which you will be studying.

_____ A copy of the Study Abroad Credit Approval Form which indicates that your Study Abroad Exchange Program coursework will be accepted for credit at UGA. **OR**, students in a UGA Study Abroad Program may instead submit a copy of their letter of acceptance into the program. Law students should contact Dr. Paul Kurtz for this information.

If you qualify for additional assistance you will receive a revised Award Letter. You are responsible for working with the Student Accounts Department in the Bursar's Office to arrange for delivery of your check(s).

_____ Check here if you wish to have your eligibility for loans determined.
