How to Apply for Financial Aid

Scholarship Universe

What is Scholarship Universe?

Scholarship Universe is a scholarship matching system that maximizes opportunities for students and was developed to help students connect to as many relevant and legitimate scholarship opportunities as possible.

Scholarship Universe allows students to create an academic profile that enables them to be connected with various scholarship opportunities from outside scholarship organizations.

<https://uga.scholarshipuniverse.com/>

Where to Send External Scholarship Checks

All external scholarship checks awarded to students to attend UGA should be mailed to:

The Office of Student Financial Aid (OSFA)
University of Georgia
Holmes-Hunter Academic Building, Room 312
101 Herty Dr.
Athens, GA 30602

Make all scholarship checks payable to the University of Georgia.

If a check is made co-payable to UGA and the student, the student will be required to sign the check which may delay the application of the funds to the student's account.

Be sure to include the student's full name and UGA ID # on the check!

Processing Time for Scholarship Checks

The typical processing time for private scholarship checks ready for deposit is 5-7 business days.

At peak times (**middle of July through the end of September**, and middle of December through the end of February), students should allow up to 10-14 business days for the processing of private scholarship checks.

In order for a scholarship to credit a student's account before their charges are due, we recommend that checks be submitted to UGA by the dates below:

July 15 for fall semester

December 1 for spring semester

May 1 for summer sessions

How to Apply for the HOPE/ Zell Miller Scholarships for Georgia Residents

Federal Work Study

The Federal Work-Study Program (FWS) is a Limited Funds, need-based financial aid program in which eligible students work part-time on-campus while enrolled at the University.

The Office of Student Financial Aid (OSFA) uses the FAFSA to establish a student's eligibility for potential employment through FWS.

Work Study funds must be earned and are not applied toward a student's UGA account balance.

Students awarded FWS will be able to apply for FWS-specific jobs on Handshake. Students who have been awarded FWS will receive an e-mail from our FWS team containing instructions on how to access Handshake.
These e-mails will not be sent until after we begin official awarding in mid to late June.

Parent PLUS Loan Process

A student must have a FAFSA on file in order for a parent to be able to obtain a Parent PLUS Loan.

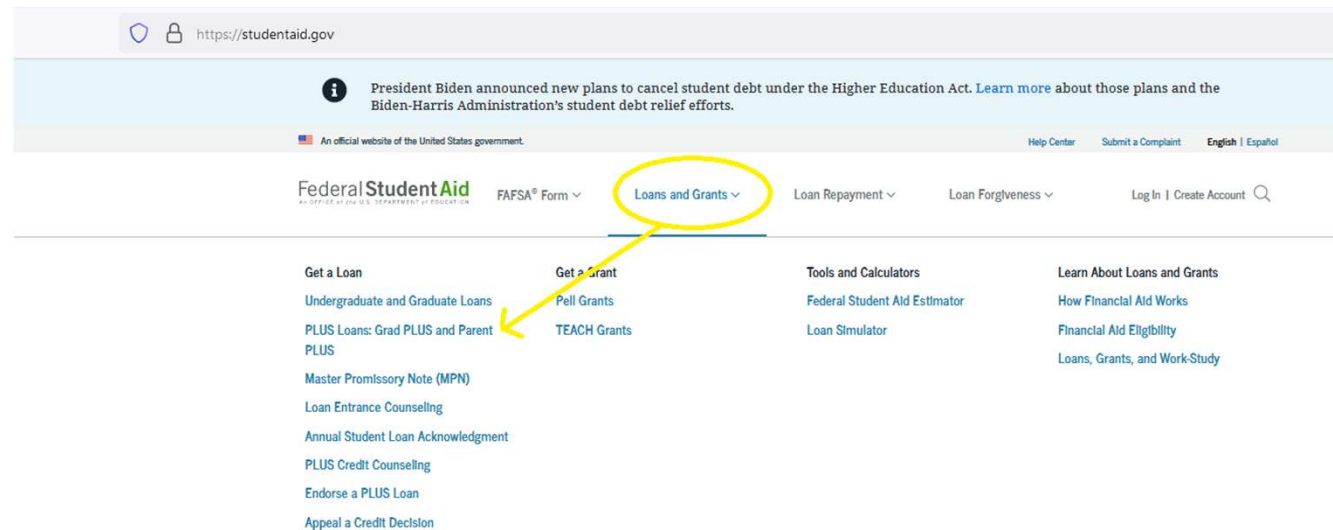

To apply for the Parent PLUS Loan, the parent must log into studentaid.gov with the **parent's FSAID** and apply for a Parent PLUS Loan.

This application will open via studentaid.gov in early July.

When completing the Parent PLUS Loan application, the parent may select they want:

- the maximum
- a specific amount
- don't know what amount to borrow

If a parent chooses “don't know” that will delay the processing of the loan. Please contact OSFA for assistance in determining a specific loan amount to borrow.

The interest rate for Parent PLUS Loans disbursed during the 2025-26 academic year is 8.94% fixed.

Private Student Loans

A private (alternative) education loan is a non-federal education loan borrowed from a private lender such as a bank, credit union or other financial entity and should be a student's last resort for educational assistance.

Only students who need additional funds beyond what they qualify for in [Federal Student Aid \(FSA\)](#) and non-federal aid should consider applying for a private education loan.

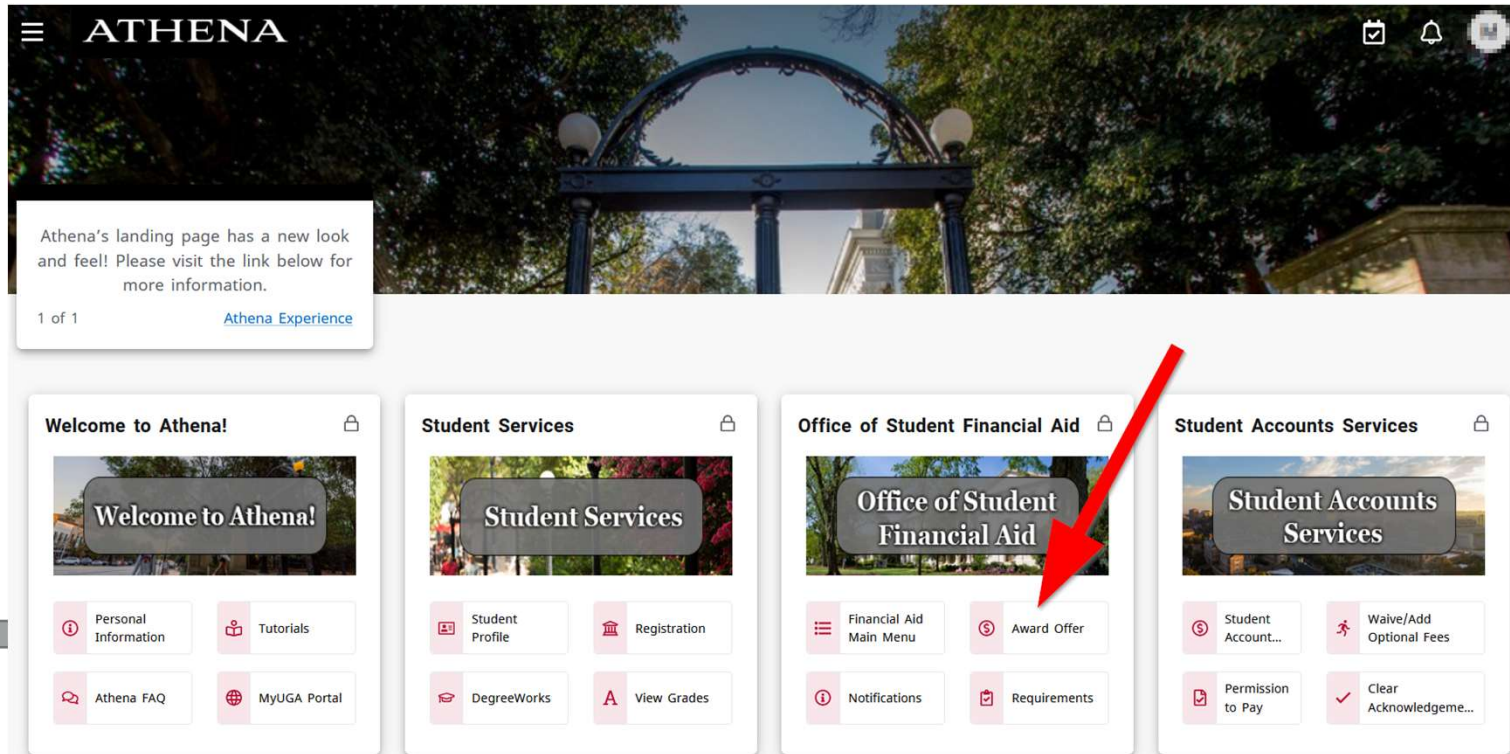

If you are considering borrowing a private student loan, please keep in mind that once the school certifies the loan, **there is a 10 day right of rescission time period.**

Because of this, students who wish to borrow private student loans should complete the application no later than mid to late July (if possible) if they wish to have their loan in place in time to apply toward their fall charges.
