Scholarships

UNIVERSITY OF
GEORGIA

Scholarship Universe

Scholarship Universe (SU) is an external scholarship matching tool available to currently enrolled UGA students and admitted prospective students who have a UGA MyID.

SU matches students to thousands of relevant, vetted external scholarship opportunities. Unlike other scholarship websites, Scholarship Universe provides a customized list of the scholarships whose eligibility requirements you meet, saving you time and effort.

You can also be confident that a third-party company has vetted all listed scholarships and that your information will not be sold.

uga.scholarshipuniverse.com

Where to Send External Scholarship Checks

All external scholarship checks awarded to students to attend UGA should be mailed to:

The Office of Student Financial Aid (OSFA)
University of Georgia
Holmes-Hunter Academic Building, Room 312
101 Herty Dr.
Athens, GA 30602

Make all scholarship checks payable to the University of Georgia.

If a check is made co-payable to UGA and the student, the student will be required to sign the check which may delay the application of the funds to the student's account.

Be sure to include the student's full name and UGA ID # on the check!

Processing Time for Scholarship Checks

The typical processing time for private scholarship checks ready for deposit is 5-7 business days.

At peak times (**middle of July through the end of September**, and middle of December through the end of February), students should allow up to 10-14 business days for the processing of private scholarship checks.

In order for a scholarship to credit a student's account before their charges are due, we recommend that checks be submitted to UGA by the dates below:

July 15 for fall semester

December 1 for spring semester

May 1 for summer sessions

Scholarship Disbursement

All scholarships \$1,000 or greater will be divided evenly between the fall and spring semesters unless the donor directs OSFA to do otherwise.

Scholarship funds first pay a student's outstanding UGA charges. After a student's current charges are paid, any resulting credit balance is refunded to the student by the [Bursar & Treasury Services](#).

How to Apply for the HOPE/ Zell Miller Scholarships for Georgia Residents

What is Federal Student Aid?

Federal Pell Grant

Federal Supplemental Educational Opportunity Grant

Federal Work-Study

Federal Direct Student Loans

Federal Direct Parent PLUS Loans

Federal Work Study

The Federal Work-Study Program (FWS) is a Limited Funds, need-based financial aid program in which eligible students work part-time on-campus while enrolled at the University.

The Office of Student Financial Aid (OSFA) uses the FAFSA to establish a student's eligibility for potential employment through FWS.

Work Study funds must be earned and are not applied toward a student's UGA account balance.

Students awarded FWS will be able to apply for FWS-specific jobs on Handshake. Students who have been awarded FWS will receive an e-mail from our FWS team containing instructions on how to access Handshake. *These e-mails will not be sent until after we begin official awarding in mid to late June. Students must accept their FWS offer in order to be sent this e-mail.*

Federal Direct Student Loans

Undergraduate Federal Direct Student Loans Subsidized & Unsubsidized Annual Limits

Grade Level	Dependent Undergraduate
Sophomore (30-59 credits)	\$6,500 (up to \$4,500 can be subsidized)
Junior & Seniors (60+ credits)	\$7,500 (up to \$5,500 can be subsidized)

Federal Direct Student Loan Interest Rate for 2026-27 Year: 6.52% fixed

Subsidized Versus Unsubsidized Loans

Federal Direct Subsidized Loans are loans for undergraduate students with **financial need**, as determined by your cost of attendance minus Student Aid Index and other financial aid (such as grants or scholarships).

Federal Direct Subsidized Loans do not accrue interest while you are in school at least half-time or during deferment periods.

Federal Direct Unsubsidized Loans are loans for both undergraduate and graduate students that are not based on financial need.

Interest is charged during in-school, deferment, and grace periods. Unlike a Federal Direct Subsidized Loan, you are responsible for the interest from the time the Federal Direct Unsubsidized Loan is disbursed until it's paid in full. You can choose to pay the interest or allow it to accrue (accumulate) and be capitalized (that is, added to the principal amount of your loan).

Federal Direct Loan Origination Fees

- The Origination Fee is the amount a borrower is required to pay the U.S. Department of Education to help defray the cost of a Federal Direct Loan (FDL).
- The applicable origination fee is withheld from each FDL disbursement.

Loan Type	1st Disbursement Dates	Loan Fee
Subsidized & Unsubsidized	10/1/2020 thru 9/30/2026	1.057%

Example: Student accepts \$5500 in the Federal Direct Unsubsidized Loan for the 2026-2027 academic year.

This amount is split equally over Fall 2026 & Spring 2027 semesters.
(\$2750 Fall / \$2750 Spring)

Once the loan origination fee has been deducted, the net amount of \$2721 will apply toward the student's UGA student account balance.

Parent PLUS Loan

A student must have a FAFSA on file in order for a parent to be able to obtain a Parent PLUS Loan.

To apply for the Parent PLUS Loan, the parent must log into studentaid.gov with the **parent's FSAID** and apply for a Parent PLUS Loan.

This application will open via studentaid.gov in early July.

Private Student Loans

A private (alternative) education loan is a non-federal education loan borrowed from a private lender such as a bank, credit union or other financial entity and should be a student's last resort for educational assistance.

Only students who need additional funds beyond what they qualify for in [Federal Student Aid \(FSA\)](#) and non-federal aid should consider applying for a private education loan.

If you are considering borrowing a private student loan, please keep in mind that once the school certifies the loan, **there is a 10 day right of rescission time period.**

Because of this, students who wish to borrow private student loans should complete the application no later than **mid July** (if possible) if they wish to have their loan in place in time to apply toward their fall charges.

Example of Georgia Resident Estimate:

Estimated Direct Costs minus Estimated Aid = Possible Balance due

Estimated Direct Costs

Tuition: \$5067

Student fees: \$747

Parking pass: \$200

Total: \$6014

\$6014 - \$5067 Zell Miller Scholarship = \$947 balance due

Please keep in mind this is an example!

*Your estimate may vary depending upon **your** financial aid.* In some cases, students may have financial aid that exceeds their direct costs. In those instances, the student will receive a refund of their excess aid instead of owing a balance.

UGA GPA Versus HOPE/Zell Miller Scholarship College GPA

A student's UGA GPA and HOPE/Zell Miller GPA are **DIFFERENT**

- UGA GPA uses a plus/minus system
- HOPE/Zell Miller GPA does NOT use plus/minus system
- **APPROVED** STEM courses (as of Fall 2017) receive added weight for HOPE/Zell GPA calculation purposes
 - ONLY applies to grades of B,C,D
 - Added weight = 0.5
 - Approved STEM course list is available on <https://www.gafutures.org/>

How to Maintain HOPE & Zell Miller Scholarships

OSFA must check for a 3.0 HOPE GPA or 3.3 Zell GPA at the **30, 60** and **90** HOPE attempted hour Benchmarks.

Students either:

1) Maintain 2) Gain or 3) Lose HOPE or Zell at these Benchmarks.

OSFA must also check for a 3.0 HOPE GPA or 3.3 Zell GPA after **every Spring** Semester.

Students either

(1) Maintain or (2) Lose HOPE or Zell eligibility at the Spring checkpoint.

- Students **cannot** (re)gain HOPE or Zell **unless** Spring is also their 30, 60 or 90 Benchmark.

A HOPE or Zell Miller Scholarship recipient who has lost their Scholarship eligibility at two checkpoints cannot regain eligibility.

How to Track Your HOPE/Zell Miller Scholarship Eligibility

HOPE & ZELL MILLER SCHOLARSHIPS

How To Track Your HOPE Academic Eligibility

Georgia's HOPE Programs are for those students who demonstrate academic achievement, not only in high school but throughout their time in college.

Beginning in high school, Georgia students are able to track their [My High School HOPE GPA](#) through their GAfutures account to know if they are on track to earn the [HOPE](#) and [Zell Miller Scholarship](#).

Now, with the [My College HOPE Profile](#), students who have earned the [HOPE](#) or [Zell Miller Scholarship](#), as well as the [HOPE](#) or [Zell Miller Grant](#), can track their academic eligibility while attending a HOPE-eligible Georgia college or university.

Note: GAfutures accounts require the student's Social Security number and date of birth in order to provide the student's secure academic data.

Access your **My College HOPE Profile** through gafutures.org.

Course Program of Study

What is Course Program of Study (CPoS)?

CPoS refers to the outstanding coursework required for a student to obtain their officially declared degree. Federal regulations (34 CFR 668.32) mandate eligibility for federal aid and financial aid cost of attendance (COA) based on enrollment in courses that meet outstanding degree requirements.

This is a federal requirement that currently only relates to **federal financial aid.**

Should a student register for courses not required to satisfy their program of study they may see an impact in their federal financial aid award packages as well as their cost of attendance.

Having students only enroll in courses that satisfy degree requirements keeps them on track to graduate in a timely manner.

Less time to degree = less student loan debt!

Satisfactory Academic Progress

Federal statute and regulations require educational institutions to establish a Satisfactory Academic Progress (SAP) Policy for determining if an otherwise eligible financial aid applicant or recipient is making satisfactory academic progress in his or her education program.

UGA's SAP Policy:

Measurement of Quantity

Undergraduate students must successfully complete a minimum of **67%**, or two-thirds, of their Total Attempted Hours.

Measurement of Quality

All Undergraduate students must have at least a 2.0 Minimum Overall Grade Point Average (GPA) at the end of every semester.

Maximum Total Attempted Hours:

Undergraduate students are not making SAP once their Total Attempted Hours equal 150% of the number of hours required to complete their undergraduate degree, or once it is apparent they will be unable to complete their undergraduate degree before reaching their applicable Maximum Allowable Total Attempted Hours
